

Diversity and Inclusion Policy

Policy Statement

This Diversity and Inclusion Policy is applicable to the Guernsey Tennis Club and is based on similar policies of:

- The Lawn Tennis Association (LTA)
- Tennis Scotland
- Tennis Wales
- The Tennis Foundation.

As a club we contribute actively to enable more people to play tennis more often, in a manner that it is safe, inclusive, and fair. This applies regardless of a person's age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

We recognise that many concerns and/or disclosures may have both safeguarding and diversity and inclusion elements to them. This policy reflects this through its reporting procedures, which replicate the safeguarding concern reporting procedures.

This Policy strives to minimise risk and support our venue, programmes, events and individuals to deliver and experience a positive tennis experience for everyone. The Reporting Procedures in our Safeguarding Policy outline how to respond to both safeguarding or discrimination concerns/disclosures.

1. Use of Terminology

We have adopted the following definitions to explain our approach to diversity and inclusion in tennis:

Discrimination – treating someone in a less favourable way and causing them harm, because of their age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation

Diversity – acknowledging, celebrating and respecting the differences between groups of people and between individuals. We will work to ensure that people can be assured of an environment in which their rights, dignity and individual worth are respected, and in particular that they are able to enjoy their sport without the threat of intimidation, victimisation, harassment or abuse.

Harassment – unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating and intimidating, hostile, degrading, humiliating or offensive environment for that individual or creates an intimidating, hostile, degrading, humiliating or offensive environment. The focus is on the perception of the complainant not the intent of the perpetrator. Employees can complain of behaviour they find offensive even if it is not directed at them.

Inclusion – ensuring that tennis is equally accessible to any member of the community so they can be fully involved in whatever capacity they choose; and that they are supported to achieve their potential in any capacity e.g. player, employee, volunteer, coach or official. We will work to ensure

that people have a genuine and equal opportunity to participate to the full extent of their own ambitions and abilities, that they feel respected and valued and are not singled out, with regard to their age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

Positive action – The Guernsey Tennis Club is committed to taking positive steps to counteract the effects of physical or cultural barriers – whether real or perceived – that restrict the opportunity for all sections of the community to participate equally and fully. We will ensure that we institute, support or contribute to appropriate measures or initiatives that enable access to tennis and participation in associated activities by people from any group that is under-represented in tennis or has difficulty accessing it and that they can do so with dignity or without being singled out.
